# SHORT PLAYS

-1-

Esma Mustafa

"Short Plays -1" is a captivating drama book designed for children. Featuring plays derived from classical stories and comic scenarios, the book serves as a valuable tool to encourage students in learning English through a communicative approach. Each play typically involves 4 or 5 characters, allowing for active participation from the entire class. Beyond linguistic development, the book creates a supportive environment, fostering self-reflection without fear. At the conclusion of each play, thought-provoking questions engage students in an enjoyable manner. Importantly, the plays convey meaningful lessons, reminding readers of the virtues of kindness, helpfulness, and hard work. "Short Plays" thus not only enhances language skills but also instills important values in an entertaining and interactive format.

Esma Mustafa, a faculty member at Mudanya University, holds a master's degree in English language and literature and is actively engaged in the PhD program in the same field.
